## MOMS & KIDS MOTHER'S DAY WEEKEND

May 9-11, 2008

**"LIFE IS GOOD!"**

From the moon, the earth looks blue and white and round. The oceans and clouds stand out in beautiful relief against the blackness of space. It looks perfect! The world is God's work. God chose to create it. God chose to redeem it. God gives it a present and a future. God's promises will outlast it. Jesus came to this world. Life in God's Kingdom is good!

**Pastor Marsha Heydenrich** from Faith Lutheran Church in Andover will be the chaplain for the weekend, helping us to explore our theme of "Life is Good". And Calumet's enthusiastic staff is ready, willing, and excited to provide a whole host of great weekend activities.
