Spring Fling! for High School Youth

May 16-18, 2008

“Standing in the Light!”

Where do you stand in this life? What are you standing on? What are you standing for? A more realistic question is WHO are you standing for? God has provided us each other as lights to stand together. How, as Christians, can we ignite each other's light? How can we use Jesus' footsteps to show us the way? How can we use Jesus' ministry as inspiration for our own life? How does God call us to stand firmly together and to use each other in the real world?

Spring Fling Musical Guest: Johnny C

Calumet Leadership: Karl Ogren, Camp Director for Children and Youth
Tom Schauer, Retreat Specialist

Special Guests: Pr. Angela Freeman, First Lutheran, Malden, MA
Steve Kennedy, New England Synod Youth Ministry Specialist
John Christianson, of A Bunch of Guys

Goals: That we may be encouraged in heart and united in love so that we may have the full riches of complete understanding, in order that we may know the mystery of God, namely, Christ.
