*Teach the Whole Story-
Change Someone's World*

Experience total immersion in the Word!

The Crossways International (CI) *Living Word* workshop is a revitalizing leadership experience designed for clergy, seminarians, teachers, and lay-leaders.

This practical workshop displays our visual-narrative method in action, as a presenter leads a journey through the biblical narrative using *The Divine Drama* and *Crossways*—Bible survey courses of varying depth. Church leaders who take this journey become equipped with practical tools for establishing or reinvigorating biblical study with adults and youth, helping them to absorb the Word of God on a fresh, new level.

Join the more than 35,000 clergy and lay leaders who have been renewed and revived to transform people's lives.

"Crossways International's materials are thoroughly researched and dynamically presented [at the workshop]. Participants are challenged to really dig into the text for the Bible's big picture. Colorful visuals reinforce learning and under-gird future retention and recall of biblical background, stories, people and places. Crossways serves as a strong foundation for the Christian life of service, always pointing to Jesus, the servant king."

Read the Bible...Understand Jesus...Demonstrate Servanthood

Crossways International helps people read the written Word, to understand the Living Word, and to demonstrate that Word in their lives. To achieve this, Crossways International creates and distributes written and visual Bible study materials and trains teachers to use them.

“This course should be required of all seminary students. [The workshop] is an invaluable source of knowledge, understanding, and insight that could be used in every ministry setting.”

Ms. Diane Reishus
Student, Luther Seminary
St. Paul, MN

“The workshop has revolutionized [my ministry]. My understanding of the Bible’s “big picture” has changed the way I see the New Testament and causes me to see new things each time I read the Old Testament. My preaching, teaching and even my living have all been affected.”

Rev. Bill Rindy
First Lutheran Church
Fargo, ND
