

NEW ENGLAND SYNOD
Evangelical Lutheran Church in America

Congregational Shared Mission Support Commitment for 2010

Trusting in partnership and joining to support the mission of the gospel in New England and through expressions of the wider church, our congregation makes the following commitment.

- () We commit 10% to 15% to Mission Support as a sign of our partnership.
- () We accept the challenge to grow toward a giving level of 10% to 15% to Mission Support as a sign of our partnership
- () Although we are unable to meet the challenge at this time, we commit to prayer and planning toward future growth in giving.
- () We will make an effort to send a portion of our Mission Support each month to the work of the wider church.
- () We look forward to communication and partnership in the development of a new mission strategy for the synod as we plan and pray together for the work of the gospel in New England.

Our projected congregational budget for 2010 is \$_____.

The percentage that we will share with the wider church is _____%
This indicates an increase of _____% in our giving for this year.

We estimate the dollar amount of our commitment to be \$_____.

The percentage that we give to other ministries beyond our congregation is _____%
